

Nā Wai Ola Public Charter School

CONFLICT OF INTEREST & DISCLOSURE POLICY

SECTION 1. PURPOSE:

Nā Wai Ola Public Charter School is a state-funded organization that has autonomy in most matters. However, in order to maintain financial stability, public trust and support, charter school staff and Governing Board members shall demonstrate high ethical standards and welcome scrutiny by, and accountability to, governmental authorities as well as to members of the public.

Consequently, there exists between Nā Wai Ola Public Charter School, its board, officers, management employees, and the public a fiduciary duty, which carries with it a broad and unbending duty of loyalty and fidelity. The board, officers, and management employees have the responsibility of administering the affairs of the school honestly and prudently, and of exercising their best care, skill, and judgment for the sole benefit of the school and its students. Those persons shall exercise the utmost good faith in all transactions involved in their duties, and they shall not use their positions with the school, or knowledge gained therefrom for their personal benefit. The interests of the school must be the first priority in all decisions and actions.

Please be aware that all GB members are bound by the State Ethics Laws as a public entity as stated in HRS Chapter 84.

SECTION 2. PERSONS CONCERNED:

This statement is directed not only to directors and the Governing Board, but to all employees who can influence the actions of the Governing Board. For example, this would include all who make purchasing decisions, all persons who might be described as "management personnel," and anyone who has proprietary information concerning Nā Wai Ola Public Charter School.

SECTION 3. AREAS IN WHICH CONFLICT MAY ARISE:

Conflicts of interest may arise in the relations of directors, GB members, and employees with any of the following third parties:

1. Persons and firms supplying goods and services to the school.
2. Persons and firms from whom the school leases property and equipment.

3. Persons and firms with whom the school is dealing or planning to deal in connection with the gift, purchase or sale of real estate, securities, or other property.
4. Competing or affinity organizations.
5. Donors and others supporting the school.
6. Agencies, organizations. and associations which affect the operations of the school.
7. Family members, friends, and other employees.

SECTION 4. NATURE OF CONFLICTING INTEREST:

A conflicting interest may be defined as an interest, direct or indirect, with any persons or businesses mentioned in Section 3. Such an interest might arise through:

1. Holding office, serving on the board, participating in management, or being otherwise employed (or formerly employed) with any third party dealing with the school.
2. Receiving remuneration for services with respect to individual transactions involving the school.
3. Using the school's time, personnel, equipment, supplies, or good will for other than school-approved activities, programs, and purposes.

5. Receipt of any gift is disapproved except gifts of a value less than \$50, which could not be refused without discourtesy. No personal gift of money should ever be accepted.

SECTION 5. INTERPRETATION OF THIS STATEMENT OF POLICY:

The areas of conflicting interest listed in Section 3, and the relations in those areas which may give rise to conflict, as listed in Section 4, are not exhaustive. Conflicts might arise in other areas or through other relations. It is assumed that the directors, GB members, and employees will recognize such areas and relation by analogy.

The fact that one of the interests described in Section 4 exists does not necessarily mean that a conflict exists, or that the conflict, if it exists, is material enough to be of

practical importance, or if material, that upon full disclosure of all relevant facts and circumstances it is necessarily adverse to the interests of the school.

However, it is the policy of the Charter School Review Panel that the existence of any of the interests described in Section 4 shall be disclosed before any transaction is consummated. It shall be the continuing responsibility of the board, directors, and employees to scrutinize their transactions and outside business interests and relationships for potential conflicts and to immediately make such disclosures.

SECTION 6. DISCLOSURE POLICY AND PROCEDURE:

Transactions with parties with whom a conflicting interest exists may be undertaken only if all of the following are observed:

1. The conflicting interest is fully disclosed;
2. The person with the conflict of interest is excluded from the discussion and approval of such transaction;
3. A competitive bid or comparable valuation exists; and
4. The GB or a duly constituted committee thereof has determined that the transaction is in the best interest of the organization; and
5. State Ethics Laws.

Disclosure in the organization should be made to the school director (or if she or he is the one with the conflict, then to the GB chair), who shall bring the matter to the attention of the board or a duly constituted committee thereof. Disclosure involving directors should be made to the board chair, (or if she or he is the one with the conflict, then to the board vice-chair) who shall bring these matters to the board or a duly constituted committee thereof.

The GB, or a duly constituted committee thereof, shall determine whether a conflict exists and in the case of an existing conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable to Nā Wai Ola Public Charter School. The decision of the GB, or a duly constituted committee thereof, on these matters will rest in their sole discretion, and their concern must be the welfare of the school and its students and the advancement of its purpose and in accordance with State Ethics Laws.
